TO WITHDRAW HOLDING OF ABANDONMENT**

August 12, 2008

Dear Sir:

In response to the Notice of Abandonment dated July 10, 2008, Applicants hereby respectfully petition under the provisions of 37 C.F.R. 1.181 and M.P.E.P. §711.03(c) for decision to withdraw the holding of abandonment.

The Notice of Abandonment dated July 10, 2008 indicates that this application was abandoned in view of Applicants' failure to respond to the Notification of Missing Requirements dated May 29, 2007. However, a review of the file jacket for the present application, the firm docketing records, and the contents of the file for the present application reveals that Notification of Missing Requirements was never received from the United States Patent and Trademark Office.

The fact that the Notification of Missing Requirements was never received from the

United States Patent and Trademark Office is evidenced by **Exhibits I-II** attached hereto.

Exhibit I is a copy of the front page of the attorney's file jacket of Serial No. 10/592,009. It is the policy in our office to record all information regarding Office Actions and responses on the front page of the file jacket. As the Petition Examiner will note, there is no entry with respect to the Notification of Missing Requirements indicating that Notification of Missing Requirements was ever received.

Exhibit II is a copy of the manual daily docket sheet for Harness Dickey & Pierce P.L.C. (Reston Office) for the date of July 29, 2007, containing entries made by our Docketing Personnel of due dates in response to United States Patent and Trademark Office Actions. It is the policy of our office to docket all due dates for Office Actions received from United States Patent and Trademark Office into our manual docket system. As indicated by the manual daily docket, there is no docket entry for the Notification of Missing Requirements on the date of July 29, 2007.

In view of the above-described facts, since that the abandonment of the present application was unavoidable and due solely to problems with the United States Patent and Trademark Office mailing of the May 29, 2007 Notification of Missing Requirements. Accordingly, this petition is being timely filed for the purpose of petitioning withdrawal of the abandonment in view of the above-stated facts.

Applicants have now downloaded a copy of the Notification of Missing Requirements and are filing a Response to the Notification concurrently with this Petition.

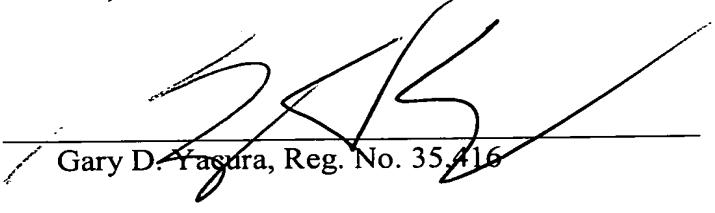

It is further believed that no petition fee is necessary in connection with this petition. In the event that the petition fee is deemed necessary by the United States Patent and Trademark Office, it is respectfully requested that the fee of \$130.00 as set forth in 35 U.S.C. §1.17(h)(1) be charged to Deposit Account No. 08-0750.

In the event that any matters remain at issue in the application, the Examiner is invited to contact Gary D. Yacura in the Northern Virginia area, for the purpose of a telephonic interview.

Respectfully submitted,

HARNESS, DICKEY AND PIERCE P.L.C.
